

Top 10 Reasons Bankruptcy May Be A Big Mistake For You

10. *Everyone but your lawyer loses - especially you!*
9. *Bankruptcy does not wipe your slate clean and give you a fresh start.*
8. *When you file for bankruptcy, it stays on your credit report for up to 10 years!*
7. *You will have difficulty getting credit. Creditors seldom extend credit to someone who has filed bankruptcy.*
6. *The harm of bankruptcy to your credit record is the same whether you file for straight bankruptcy under Chapter 7 or for a repayment plan under Chapter 13.*
5. *You will have difficulty getting a loan to buy a car.*
4. *Buying a home will be the American dream you can forget.*
3. *Want a boat, a motorcycle, a camper? No way can you borrow the money with bankruptcy on your record.*
2. *Bankruptcy sets you up to be the victim of loan sharks and con artists who get rich off people with bad credit.*
1. *The cost of your bankruptcy takes money out of the pockets of your friends and coworkers who are credit union members! Do you want these people to think of you as a deadbeat?*
